Go full tilt with your trailering. Iron Bull Gravity Tilt decks offer a great alternative to ramps, steep loading angles and possible hang up points of traditional flat deck units. 14,000 lbs of Gross Vehicle Weight Rating ensure you have enough capacity for your heaviest loads and expert craftsmanship combined with top-tier components ensure you have an effortless tow. It's a great fit for work and play. Nev-R-Adjust brake axles and radial tires provide a solid foundation for each Iron Bull tilt trailer and ample grip for stopping power. Sherwin-Williams Powdercoat Powder coat gives each trailer a rugged finish with a showroom shine. USA made, lifetime recessed LEDs are provided by TecNic lighting. Each Iron Bull Trailer also comes equipped with a stake pockets, pipe spools and rub rail, removable diamond plate fenders, and adjustable coupler. Our 14k low-pro bumper pull is by far our most popular tilt deck model. With two 7k Axles and tons of standard features, this model is a perfect fit for work or play.
